100 comandos de producto

La foto de tu producto, convertida en video y en anuncio

Cien comandos listos: pegás el comando, mandás tu foto y recibís el resultado.
Sin filmar, sin estudio y sin escribir un prompt.

50 **para Gemini**
La foto se convierte en video: el producto girando, la luz armando la silueta, la cámara acercándose.

50 **para ChatGPT**
La foto cruda se convierte en campaña: estudio, lujo, cartel en la calle, escenario y formato de anuncio.

Versión web, con buscador y botón de copiar

LOS DEL VIDEO · GEMINI

Los 4 comandos secretos de Gemini

Los del reel: tu local visto desde el espacio, el anuncio de tu producto, el unboxing y tu logo animado.

Cómo usar: abrí Gemini, tocá + y elegí Crear video, subí tu imagen y pegá el comando. Devuelve un VIDEO. Necesitás un plan de Google AI que genere video (Plus, Pro o Ultra).

/satelite-zoom

La cámara arranca en el espacio y se acerca hasta tu local. Subí una foto de tu local o fachada.

```
/satelite-zoom
```

/satelite-zoom-reversa

Si el zoom salió al revés (arranca en tu local y se aleja). Cambiá los segundos si querés otra duración.

```
/satelite-zoom en reversa: empieza en el espacio, termina en el local de la foto. Un solo movimiento hacia adentro, sin alejarse nunca. Duración: 5 segundos.
```

/photoshoot-ad

Tu foto de producto convertida en anuncio con movimiento, sin sesión de fotos. Subí una foto de tu producto.

```
/photoshoot-ad
```

/unboxing

El unboxing de tu producto sin filmar nada. Subí una foto del producto o de la caja.

```
/unboxing
```

/logo-reveal

Tu logo con una animación de entrada, para la intro de reels y stories. Subí una imagen de tu logo.

```
/logo-reveal
```

Si el resultado no es el que esperabas, pedile más detalle del movimiento de cámara, la luz o el estilo.

PARTE 1 DE 2 · GEMINI

Los 50 de Gemini

La foto que ya tenés se convierte en video

No grabás nada, no editás nada y no necesitás tener el producto en la mano otra vez. Son 10 temas, cada uno en 5 versiones: premium, dark, bright, kinetic y minimal.

1 **Abrí Gemini**
En una conversación nueva, adjuntá la foto de tu producto.

2 **Pegá el comando**
Uno por vez. El comando ya trae el movimiento, la luz y la terminación.

3 **Pedí el ajuste**
Más lento, más oscuro, más cerca. Ajustás el video, no reescribís el pedido.

VIDEO · GEMINI

La revelación

Revela el producto de a poco: la luz va armando la silueta hasta mostrarlo entero.

Cómo usar: abrí Gemini, adjuntá la foto y pegá el comando completo. Devuelve un VIDEO.

/hero-reveal-premium

Versión premium, con movimientos lentos, terminación sofisticada y luz publicitaria controlada.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a product reveal video. Open in near darkness, then let light gradually build the product's silhouette, edge by edge, until the full product is revealed and held as a hero shot. Style: premium. Slow, elegant camera moves, refined finish, controlled advertising lighting with soft highlights and clean reflections, neutral luxurious backdrop. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/hero-reveal-dark

Versión oscura, con fondo profundo, recortes de luz y contraste dramático.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a product reveal video. Open in near darkness, then let light gradually build the product's silhouette, edge by edge, until the full product is revealed and held as a hero shot. Style: dark. Deep black backdrop, sculpted rim lights cutting the silhouette, dramatic contrast, glossy reflections on a dark floor. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/hero-reveal-bright

Versión clara, con iluminación amplia, sensación limpia y comunicación optimista.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a product reveal video. Open in near darkness, then let light gradually build the product's silhouette, edge by edge, until the full product is revealed and held as a hero shot. Style: bright. Wide soft daylight, airy light backdrop, clean fresh look, optimistic and friendly mood. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/hero-reveal-kinetic

Versión dinámica, con aceleraciones suaves, cortes de movimiento y energía comercial.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a product reveal video. Open in near darkness, then let light gradually build the product's silhouette, edge by edge, until the full product is revealed and held as a hero shot. Style: kinetic. Smooth speed ramps, energetic camera moves, quick motion transitions, punchy commercial rhythm that still lands on a clean hero frame. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/hero-reveal-minimal

Versión minimalista, con pocos elementos, mucho aire y foco absoluto en el producto.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a product reveal video. Open in near darkness, then let light gradually build the product's silhouette, edge by edge, until the full product is revealed and held as a hero shot. Style: minimal. Very few elements, generous negative space, single soft light, seamless solid backdrop, absolute focus on the product. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

VIDEO · GEMINI

El pedestal

Presenta el producto sobre un pedestal con un movimiento de cámara que destaca forma, envase y presencia.

Cómo usar: abrí Gemini, adjuntá la foto y pegá el comando completo. Devuelve un VIDEO.

/pedestal-shot-premium

Versión premium, con movimientos lentos, terminación sofisticada y luz publicitaria controlada.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a pedestal presentation video. Place the product centered on a sleek pedestal; the camera orbits slowly around it, highlighting shape, packaging and presence, ending on a front-facing hero frame. Style: premium. Slow, elegant camera moves, refined finish, controlled advertising lighting with soft highlights and clean reflections, neutral luxurious backdrop. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/pedestal-shot-dark

Versión oscura, con fondo profundo, recortes de luz y contraste dramático.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a pedestal presentation video. Create a brand intro video. Open on an atmospheric scene inspired by the product's colors and materials, then guide the camera smoothly until it lands on the product as the hero. Style: kinetic. Smooth speed ramps, energetic camera moves, quick motion transitions, punchy commercial rhythm that still lands on a clean hero frame. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/brand-intro-minimal

Versión minimalista, con pocos elementos, mucho aire y foco absoluto en el producto.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a brand intro video. Open on an atmospheric scene inspired by the product's colors and materials, then guide the camera smoothly until it lands on the product as the hero. Style: minimal. Very few elements, generous negative space, single soft light, seamless solid backdrop, absolute focus on the product. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

VIDEO · GEMINI

El packshot final

Arma una secuencia corta que termina en un packshot estable, legible y listo para anuncio.

Cómo usar: abrí Gemini, adjuntá la foto y pegá el comando completo. Devuelve un VIDEO.

/final-packshot-premium

Versión premium, con movimientos lentos, terminación sofisticada y luz publicitaria controlada.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a short sequence that ends on a final packshot: stable, perfectly legible label, centered composition with clean space around it, ready to be used as the end card of an ad. Style: premium. Slow, elegant camera moves, refined finish, controlled advertising lighting with soft highlights and clean reflections, neutral luxurious backdrop. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/final-packshot-dark

Versión oscura, con fondo profundo, recortes de luz y contraste dramático.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a short sequence that ends on a final packshot: stable, perfectly legible label, centered composition with clean space around it, ready to be used as the end card of an ad. Style: dark. Deep black backdrop, sculpted rim lights cutting the silhouette, dramatic contrast, glossy reflections on a dark floor. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/final-packshot-bright

Versión clara, con iluminación amplia, sensación limpia y comunicación optimista.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a short sequence that ends on a final packshot: stable, perfectly legible label, centered composition with clean space around it, ready to be used as the end card of an ad. Style: bright. Wide soft daylight, airy light backdrop, clean fresh look, optimistic and friendly mood. Format: 9:16 vertical, 8 seconds, photorealistic commercial quality, no people, no hands, no added logos or captions, smooth stable motion, sharp focus on the product in the final frame.
```

/final-packshot-kinetic

Versión dinámica, con aceleraciones suaves, cortes de movimiento y energía comercial.

```
Use the attached photo as the exact product reference. Keep the shape, proportions, colors, materials, logo and every printed text identical; do not redesign, distort or add text. Create a short sequence that ends on a final packshot: stable, perfectly legible label, centered composition with clean space around it, ready to be used as the end card of an ad. Style: kinetic. PARTE 2 DE 2 · CHATGPT

Los 50 de ChatGPT

La misma foto, ahora convertida en pieza publicitaria

Estudio, lujo, cartel en la calle, escenario y formato de anuncio. Es el paso anterior al video, y los dos usan la misma foto.

1 **Abrí ChatGPT**
Adjuntá la foto del producto, mejor si tiene fondo limpio.

2 **Pegá el comando**
Ya trae luz, ángulo, escenario y terminación.

3 **Generá otra con otro**
La misma foto rinde decenas de piezas diferentes.

IMAGEN · CHATGPT

Fotografía de producto

Lo básico bien hecho: el producto convertido en pieza publicitaria.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/showcase

Convierte el producto en una foto publicitaria premium, con luz cinematográfica, reflejos y escenario sofisticado.

```
Turn this product into a premium advertising photograph with cinematic lighting, subtle reflections and a sophisticated set. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/metaad

Arma un anuncio pensado para Meta Ads: composición llamativa, producto destacado y espacio para el texto.

```
Create a Meta Ads creative: eye-catching composition, product as the clear focal point, and clean empty space at the top for ad copy. Square 1:1. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/3Dbillboard

Pone el producto en un gigantesco cartel 3D anamórfico en plena ciudad.

```
Place this product on a giant anamorphic 3D billboard on a city building corner, popping out of the screen, with street and pedestrians below for scale. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/productshot

Foto profesional de estudio con fondo limpio y foco total en el producto.

```
Professional studio product shot: seamless clean background, soft three-point lighting, gentle shadow, total focus on the product. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/luxury

Convierte el producto en una campaña de lujo, con terminación sofisticada y estética de grandes marcas.

```
Turn this product into a luxury campaign: rich materials like marble and brushed metal, warm controlled lighting, elegant composition in the style of high-end brands. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

IMAGEN · CHATGPT

Cine y detalle

Luz, textura y profundidad: lo que separa una foto amateur de una campaña.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/cinematic

Escena cinematográfica dramática con luz volumétrica, profundidad y atmósfera de película.

```
Create a dramatic cinematic scene around this product: volumetric light rays, haze, shallow depth of field and a film-like color grade. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/macro

Primerísimo plano con textura, materiales, gotas y pequeños detalles.

```
Extreme macro close-up of this product showing texture, materials, droplets and fine details, razor-sharp focus with creamy bokeh. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/floating

Hace levitar el producto rodeado de partículas u objetos relacionados con la marca.

```
Make this product levitate in mid-air, surrounded by floating particles and objects related to what it is, soft shadows below, clean backdrop. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/splash

El producto golpeado o rodeado por una explosión de agua o líquido.

```
Show this product hit by a dynamic splash of water or liquid, frozen at high speed with crisp droplets, studio lighting. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/ice

El producto en un escenario congelado con hielo, cristales, niebla fría y condensación.

```
Place this product in a frozen scene with ice blocks, crystals, cold mist and condensation drops on its surface, cool blue lighting. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

IMAGEN · CHATGPT

Escenarios de impacto

Cuando el anuncio tiene que frenar el dedo en el feed.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/jungle
El producto dentro de una selva tropical exuberante con atmósfera cinematográfica.

```
Place this product inside a lush tropical jungle with dense leaves, mist and cinematic sun rays filtering through. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/fire
El producto rodeado de fuego, brasas, chispas e iluminación cálida dramática.

```
Surround this product with controlled fire, embers and sparks, dramatic warm lighting, dark background. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/energy
Agrega rayos, electricidad, partículas de energía y un aura intensa alrededor del producto.

```
Add lightning bolts, electricity arcs, energy particles and an intense glowing aura around this product, dark backdrop. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/neon
Escenario futurista iluminado con luces neón, reflejos y atmósfera cyberpunk.

```
Place this product in a futuristic set lit by neon lights, with glossy reflections on a wet floor and a cyberpunk atmosphere. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/cyberpunk
Convierte la imagen en una campaña futurista inspirada en ciudades cyberpunk.

```
Turn this into a futuristic campaign set in a cyberpunk city at night: holographic signs, rain, neon haze, product as the hero in the foreground. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

IMAGEN · CHATGPT

Tecnología y escena épica

Interfaces, portales y explosiones controladas.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/futuristic

Pone el producto en un ambiente tecnológico avanzado, minimalista y futurista.

```
Place this product in an advanced, minimalist, futuristic tech environment with clean lines, glowing panels and soft white light. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/hologram

El producto rodeado de hologramas, interfaces digitales y elementos HUD.

```
Surround this product with holograms, floating digital interfaces and HUD elements showing abstract data, cool blue glow. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/portal

El producto saliendo a través de un portal de energía cinematográfico.

```
Show this product emerging through a cinematic swirling energy portal, light streaks and particles flowing outward. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/explosion

El producto en el centro de una explosión visual controlada con partículas y fragmentos.

```
Place this product at the center of a controlled visual explosion of particles, fragments and dust, frozen in time, product intact and sharp. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/smoke

Crea humo volumétrico dramático alrededor del producto.

```
Create dramatic volumetric smoke swirling around this product, backlit, dark moody background. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

IMAGEN · CHATGPT

Naturaleza y elementos

Escenarios orgánicos que transmiten frescura y verdad.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/storm
El producto en medio de una tormenta, con rayos, lluvia y atmósfera épica.

```
Place this product in the middle of an epic storm: lightning in the sky, heavy rain, wet surfaces, dramatic light. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/underwater
El producto sumergido en agua, con burbujas, luz refractada y sensación premium.

```
Submerge this product underwater with rising bubbles, refracted caustic light and a premium clear-water look. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/ocean
El producto integrado en una gran escena oceánica con olas y agua en movimiento.

```
Integrate this product into a grand ocean scene with crashing waves and moving water, sea spray, golden hour light. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/desert
El producto en un desierto cinematográfico con arena, polvo y sol intenso.

```
Place this product in a cinematic desert with sand dunes, blowing dust and intense low sun, long shadows. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/nature
Integra el producto de forma orgánica con bosques, plantas, piedras y elementos naturales.

```
Integrate this product organically into nature: moss, stones, ferns and forest light, fresh and authentic mood. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

IMAGEN · CHATGPT

Espacio y escala

El producto fuera de su escala real, donde la imagen se vuelve noticia.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/space El producto en el espacio, rodeado de estrellas, planetas y nebulosas.

Place this product floating in outer space surrounded by stars, planets and colorful nebulae, rim light from a distant sun. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.

/moon Pone el producto sobre la superficie de la Luna en una campaña surrealista.

Place this product on the surface of the Moon with Earth rising in the background, surreal advertising campaign look. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.

/mars El producto en Marte, con escenario espacial cinematográfico.

Place this product on Mars: red rocky terrain, dusty atmosphere, cinematic space-mission lighting. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.

/gravity Composición surrealista con objetos flotando alrededor del producto.

Create a surreal zero-gravity composition with related objects floating around this product, balanced and clean. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.

/giant Convierte el producto en una versión gigante dentro de una ciudad o paisaje real.

Turn this product into a giant version standing inside a real city or landscape, people and cars tiny around it for scale. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.

IMAGEN · CHATGPT

Ciudad y medios externos

El producto ocupando la calle, el cartel y la vidriera.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/miniature

Personitas interactuando con el producto como si fuera gigante.

```
Create tiny miniature people interacting with this product as if it were gigantic: climbing, cleaning, photographing it, tilt-shift look. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/street

El producto en una campaña urbana moderna con calles, edificios y estilo de vida.

```
Place this product in a modern urban lifestyle campaign: city streets, buildings, natural daylight, editorial feel. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/timesquare

Pone la marca o el producto en enormes pantallas tipo Times Square.

```
Put this product on huge advertising screens in a Times Square style plaza at night, bright lights and crowds. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/tokyo

Campaña urbana futurista inspirada en Tokio, con neón y grandes anuncios.

```
Futuristic urban campaign inspired by Tokyo at night: neon signs, giant ads, rain-soaked streets, product in the foreground. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/dubai

El producto en un ambiente lujoso y futurista inspirado en Dubái.

```
Place this product in a luxurious futuristic setting inspired by Dubai: skyline, gold accents, warm sunset light. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

IMAGEN · CHATGPT

Marca y lanzamiento

Del envase a la tienda: el producto convertido en marca.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/storefront

Convierte la marca en una tienda física premium con fachada conceptual.

```
Turn this brand into a premium physical store with a conceptual facade designed around the product's colors and shape. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/popupstore

Crea una pop-up store temática basada en la identidad visual del producto.

```
Create a themed pop-up store based on this product's visual identity, with displays, signage and shoppers. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/packaging

Arma un mockup profesional del envase en un escenario publicitario.

```
Create a professional packaging mockup for this product: box and product side by side in an advertising set. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/launch

Visual de lanzamiento con iluminación dramática, pedestal y atmósfera de revelación.

```
Product launch visual: dramatic lighting, the product on a pedestal, haze and a reveal atmosphere. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/pedestal

El producto centrado sobre un pedestal premium en un escenario minimalista.

```
Product centered on a premium pedestal in a minimalist set, soft light, clean backdrop. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

IMAGEN · CHATGPT

Limpio y comercial

Lo que vende en el catálogo, la web y el e-commerce.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/minimal

Campaña extremadamente limpia, elegante y minimalista.

```
Create an extremely clean, elegant, minimalist campaign image of this product, lots of negative space. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/gradient

El producto sobre un fondo degradado moderno que combina con la identidad visual.

```
Place this product on a modern gradient background that matches its own colors, soft shadow, studio light. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/studio

Foto comercial realista hecha en un estudio profesional.

```
Realistic commercial photo of this product shot in a professional studio, true-to-life colors. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/ecommerce

Producto aislado, perfectamente iluminado y listo para catálogo o e-commerce.

```
Isolated product on pure white, perfectly lit, no harsh shadows, ready for catalog or e-commerce. Square 1:1. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/instagram

Composición publicitaria optimizada para el feed de Instagram.

```
Create an advertising composition optimized for the Instagram feed, 4:5 vertical, scroll-stopping colors. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

IMAGEN · CHATGPT

Formatos de red

Ya sale en el formato justo para publicar y anunciar.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/reelscover

Convierte la imagen en una portada vertical de impacto para Reels.

```
Turn this into a striking vertical Reels cover, 9:16, product big in the center with space for a short title. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/storyad

Anuncio vertical 9:16 optimizado para Stories de Instagram.

```
Create a vertical 9:16 ad optimized for Instagram Stories, keep the top and bottom 15% free of key elements. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/ugc

Pone el producto en una foto más natural y espontánea, tipo contenido UGC.

```
Place this product in a natural, spontaneous smartphone-style photo, like user-generated content in a real home. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/viral

Imagen exagerada a propósito, sorprendente y pensada para llamar la atención en redes.

```
Create a deliberately exaggerated, surprising image of this product designed to grab attention on social media. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

/hero

La imagen principal definitiva de la campaña, con el producto como protagonista absoluto.

```
Create the definitive hero image of a campaign, with this product as the absolute protagonist and premium advertising finish. Use the attached photo as the exact product reference: keep its shape, colors, logo and printed text identical, do not redesign it. Photorealistic, high resolution, professional advertising quality, no extra text or watermarks unless requested.
```

DE REGALO · CHATGPT

Foto para delivery

El comando de menú que más pide quien vende por apps de delivery.

Cómo usar: abrí ChatGPT, adjuntá la foto y pegá el comando completo. Devuelve una IMAGEN.

/delivery

La foto del plato o producto lista para PedidosYa, Monchis o tu menú de delivery.

```
Turn this photo of my dish or product into an appetizing delivery app photo: top-down or 45 degree angle, natural light, clean background, vivid but realistic colors, square 1:1. Keep the food exactly as it is, do not add ingredients.
```

/deliverycover

La portada de tu local en la app: el plato estrella con fondo de marca.

```
Create a horizontal cover image for my store on a delivery app, 16:9, with this dish as the hero on a background in my brand colors and clean space on the left for the store name. Keep the food exactly as it is.
```

DESPUÉS DE ESTOS 100 · PACK 10K

Estos 100 son de producto. Y es solo el comienzo.

LOTE 1 · PRECIO DE LANZAMIENTO

~~Gs. 100.000~~ **Gs. 50.000** pago único · fuera de Paraguay US$ 7

clarity.xp.com.py/pack-10k

Material gratuito. Podés usarlo en tu trabajo, en tus proyectos y en los de tus clientes, adaptar los comandos y usar comercialmente lo que produzcas con ellos. Podés compartir este PDF con quien quieras. No podés venderlo ni publicarlo como propio. Gemini y ChatGPT cambian entre versiones y un comando puede necesitar ajuste: revisá siempre lo que sale antes de publicarlo.
